

RESPONSE TO INTERVENTION

TIER 3 FREQUENT PROGRESS MONITORING

- Teachers can focus on specific skill deficiencies
- Assign specific assignments based on suggested topics report

Study Island's Individual Student Report provides real-time data to determine a student's strengths and weaknesses.

TIER 2 TARGETED INTERVENTION

- Match content to student's instructional level
- Choice of different presentation (test mode, game mode, printable worksheet)
- Can use with individual students or with small group instruction

Study Island allows teachers to offer differentiated instruction based on a student's needs.

TIER 1 IDENTIFYING STRUGGLING STUDENTS

- Collects data quickly
- Flags students falling behind peers
- Supplement to regular instruction

Our comparison report can be used to see how a targeted student is performing against their class or grade level in their school or state.
